SOUTH DELHI PUBLIC SCHOOL
HOLIDAY HOMEWORK -2025
CLASS III

Dear Parents,
Holidays are special breaks from our everyday schedules, and we all eagerly await them. Finally, the much- awaited summer vacations are here! The hot, windy days of April and May make us all excited for this long break, a time to relax and have fun.

It's a great time for you to cherish the little joys of your child. It's important to limit screen time and supervise the channels your child watches. Provide valuable guidance and spend quality time with them. Make these holidays memorable by creating a nurturing and stimulating environment at home that is full of fun, excitement, and learning. Here are a few suggestions for parents:

- Engage in meaningful conversations every day.
- Read a variety of storybooks.
- Assign small household responsibilities to help them become independent.
- Teach them the importance of moral values in their lives.
- Participate in various indoor games with them.
  While it's crucial to take breaks and have fun, it's equally important to keep learning. Find a balance between work and play, and let your child grow along the way.
